Clarification of News Report

This refers to your request for clarification and/or confirmation of the news article entitled "Wilcon to open more stores outside Metro Manila" posted in Business World Online on June 20, 2017. The article reported in part that:

"WILCON Depot, Inc., is going beyond Metro Manila as it looks to breach the P1-billion mark for its bottom line for 2017.

. . . .

For his part, Wilcon Chief Financial Officer Mark Andrew Y. Belo said that the company "seems to be on track" to hit a net income of P1.2. billion this year,...

. . . ."

In response thereto, we confirm that the company "seems to be on track to hit a net income of P1.2 billion this year" statement was made by the Company's Chief Financial Officer. We wish to clarify that such statement was a reply to a question premised on the previously reported 1st quarter net income, if annualized.

Based on previous disclosure, and press release last 15 May 2017, Mr. Belo reported a net income of P390.5 million for the 1st quarter of 2017. Mr. Belo also mentioned therein that the P390.5 million included the tax and operating expense impact of the transaction costs of the initial public offering (IPO), but excluding all IPO-related costs and benefits, the Company's regular net income is P326.5 million.

We apologize for the misunderstanding and we will endeavor to be more careful in our public statements.

We believe the foregoing addresses your request.

Thank you.
